WOOD SHUTTERS BUILT WITH OLD WORLD CRAFTSMANSHIP

# MIRAMONTE™

## PAINTED WOOD SHUTTERS

Wood shutters boast tradition, timeless beauty and elegance. MiraMonte Painted Hardwood shutters are custom made with traditional wood craftsmanship.

The hardwoods are hand selected and run through a Kiln drying process. Each shutter is then custom built, hand sanded and painted using our proprietary 4 Coat Baked in Finish™ Technology to get a high quality and durable finish. The wood is sealed and prepped with 2 coats of primer and 2 coats of finish paint that is baked on to give one of the most durable paint finishes available.

Tradition meets technology in our fine quality Miramonte wood shutters. All shutters are tailor made to your windows custom specifications.

Durable 4 Coat Baked in Finish™ Paint Technology

Strong Triple Dowel Furniture Quality Joinery

Tension Adjustment Screws
